Sorry for the Confusion

Relieve some of your anger, folks!
You probably went > U all over that line, but we might have been a bit bias in our translation (thanks to Rara1128, pokadot in particular for calling us out on it ^^)

He called her "싸가지", which quite rudely describes a girl who doesn't think, but in a way where you can use it in a G/PG rated movie. **Basically, "bitch" was *a little* too harsh, and not a completely accurate translation.**

Now that we've made our tiny correction (thanks eseul for the bit of help), we hope your previous assumptions have taken some adjustments too!

Enjoy the chapter!

Hello, this is Seok Woo.
As I said last week, this week is a special chapter.

*Seok Woo mentioned this in the author's comment last chapter

Going down to visit my family on Chinese New Years and staying there to help around meant that I didn't have enough time to work on this week's chapter.

I pondered whether to release a shorter version of the chapter or not, but thought it'd be better to release the full chapter later at once, so this special chapter was born.

I was short on time but please enjoy this short and special chapter^^
Then, we'll begin!

오렌지 마말레이드

orange marmalade

SPECIAL

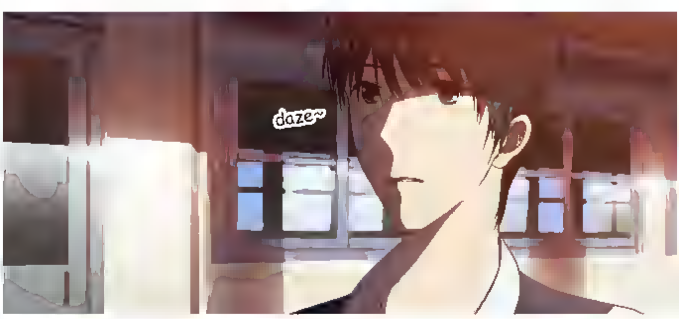
Deleted & Edited Scenes

After being sucked (?) by Ma Ri,
Jung Jae Min takes a look in the school mirror tomorrow and

I wanted to use this as the last scene in chapter 2,
but decided to jump to Ma Ri and Jae Min meeting each
other, so the scene was deleted.

After, being suddenly attacked by Ma Ri

Jae Min watches Ma Ri leave.

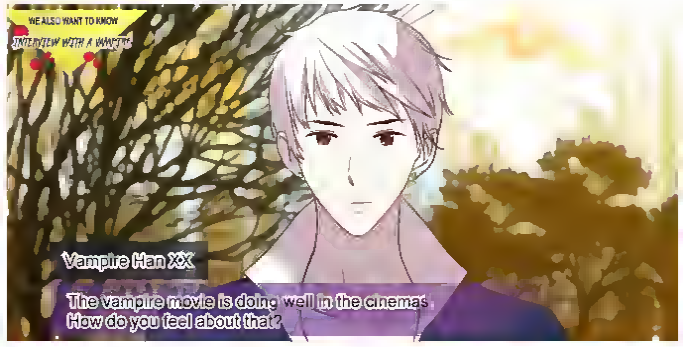


And I wasn't happy with how it turned out, so it was edited.

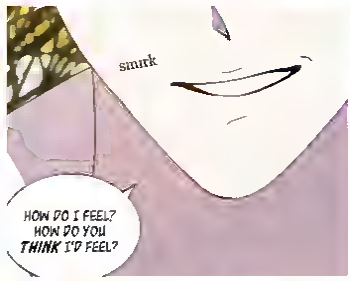
*If it wasn't clear, that was the sound of cupid's arrow

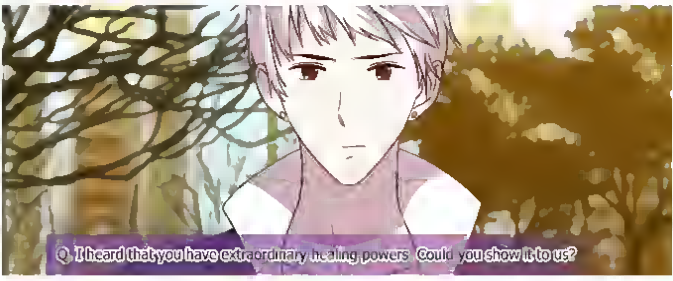
"OKAY, THAT'S IT!"

After a while, Han Si Hoo makes his first appearance.
This is the un-pixelated version.



WE ALSO WANT TO KNOW
INTERVIEW WITH A VAMPIRE
Vampire Han XX
The vampire movie is doing well in the cinemas
How do you feel about that?





*around 180 dollars or 110 pounds

I put in a lot of effort to make his first appearance look good, but it was unfortunate because I had to make it pixelated.
So now I'm...

And
at the start of the second part,
when Ah Ra's friends found out about
Ma Ri and Jae Min..

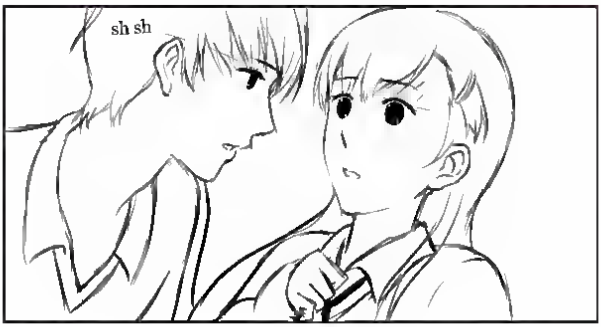
How dare she do that with Jae Min
She should know her place!
WRACK!
shock
MA RI, WHAT WERE THEY TALKING ABOUT?
DUNNO....
DON'T WORRY ABOUT IT! WHAT COULD YOU FOSSIBLY HAVE WITH THAT JERKFACE ANYWAY?
!....

I put the scene in there for flow but I concluded it was unnecessary, so it was deleted.

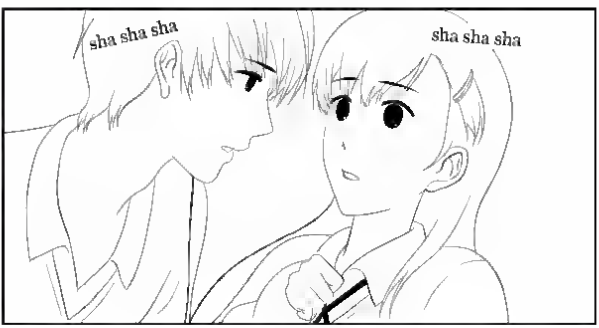
There were other deleted scenes and edited scenes but I felt they took up too much space so I'll stop here
I'll show you more next chance I get!

Let's go! Quick and Easy Webtoon

This is the process of coloring, and creating characters.
First, create a sketch using a program called Photoshop.

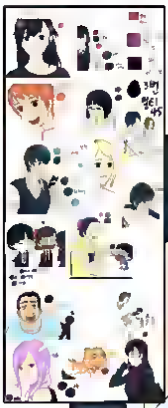


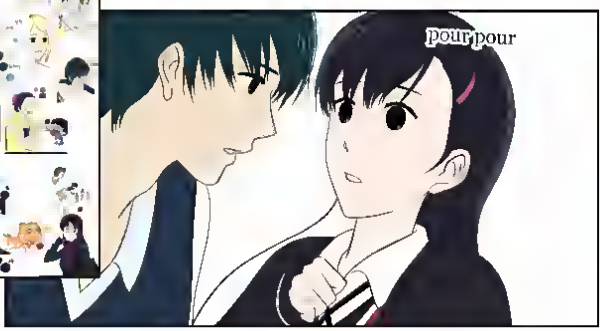
Create a layer on top of that and
clean things up with the pen tool,
like below.



Under the pen touch-up layer,
create a new layer and just color in the characters with a dark color.
(this is needed to color the characters without leaving any spaces.)

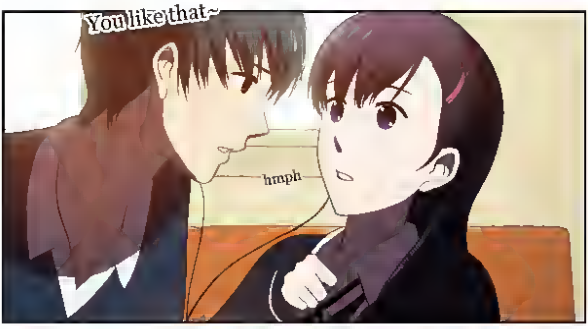
Now take the color sampling and pour in the colors.





We're close to the end now.
Make another layer and set the opacity to 45%
and add in some shadows using a darker color.

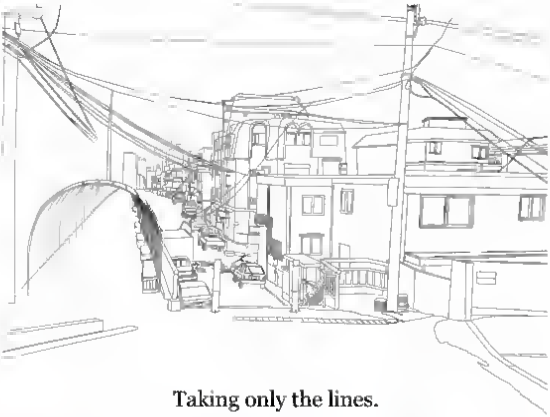
After doing that, add the background and,
using the highlights mentioned in the previous special,
add in the feeling of the scene, and you're done!



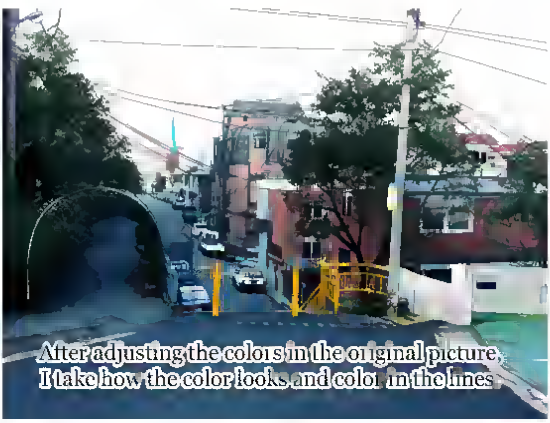
It's easy, right?

03. Background work

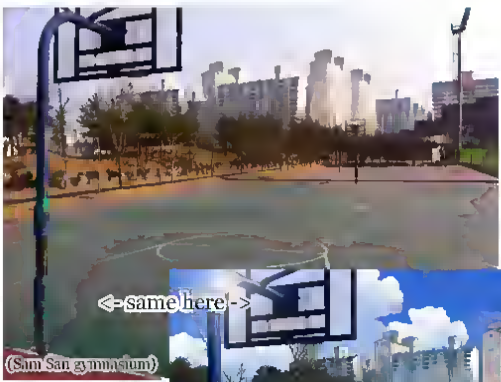
I think many people were interested
in the background work last special,
so I prepared another batch.
(it's definitely because I have nothing
else to fill the time with).



Taking only the lines.



(thanks to Kang Nyang Kong
for allowing me to use the picture)
http //blog naver .com/rkaanta

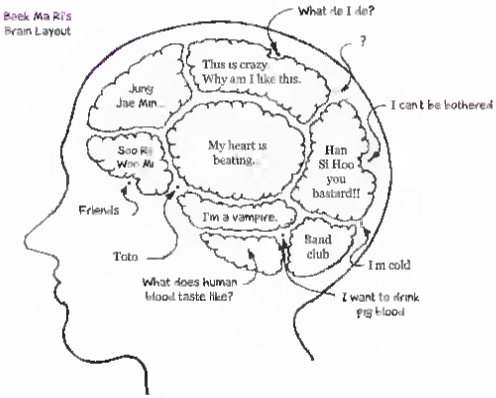


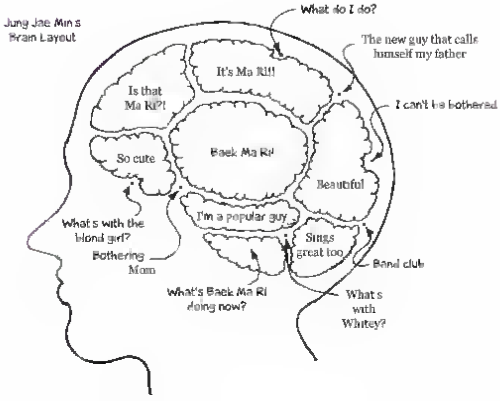
This is how it's completed.
Easy, right~?

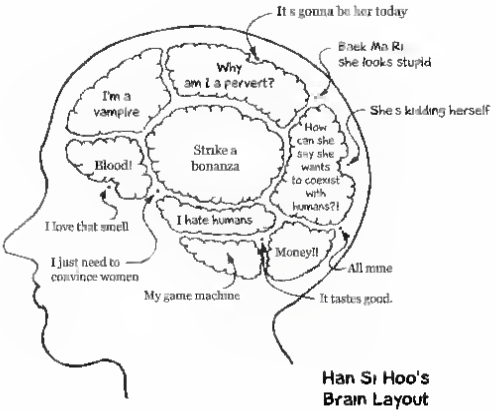
4 Collecting fun things

OM character brain layout

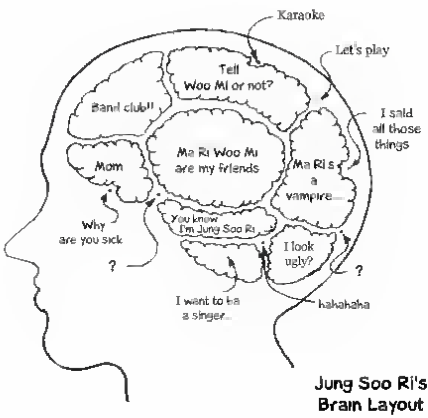
(Mr Boing from the cafe updated with the latest chapters)







Han Si Hoo's Brain Layout



Jung Soo Ri's Brain Layout

And my Dad's comment

*Basically
Seok Woo s Dad
(probably called seung chul)
mentioned that he s sick in
one of OM s comments

My dad was sick but he said this in the last chapter.
hehehehehehehe
You have to be healthy, Dad.
(but I m afraid Dad reads the comments)

Q. Seok Woo, how old are you? Where do you live? When did you start webcomics? What's your dream?

- Baguette from the cafe

A. Hahahah I'm 29, live in Bucheon, and started drawing seriously when I was 23 And... my dream is... ah I don't know...

Q. You're going to draw a kiss scene between Jae Min and Ma Ri for us, right...? right...?
I won't tell you to advance the story faster or anything...
just put in a kiss scene... T T

- Sorenge from the cafe

A. If we get 10,000 replies in this comic and I get a 9 9 score then in the next chapter...?
But this is impossible haha

Q. What's orange marmalade?

- Ninanae

A. Jam made out of orange peels.

Q. Jung Soo Ri, Do Woo Mi, Oh Lo la, Ha Na Bi... why are the names so odd?*

- Beong Guang Seu

A. It's my choice. Please respect that

*Judge for yourself how funny they are
Jung Soo Ri = Top of the crown
Do Woo Mi = Helper
Oh Lo La = Aurora
Ha Na Bi = Hanabi Fireworks in Japanese

Q. What programs do you use?
I use Photoshop and Cytoo~
Ah, and why did you become a webtoon artist?

-Coa from the cafe

A. I use Photoshop and Comic Studio
I became a webtoon artist because I started concentrating on my challenge webtoons~ haha
But I guess the main reason was because I liked reading comics in general and wanted to stand with the artists I looked up to
But ironically after a while I began to wonder why I became a webtoon artist in the first place
I guess the heavy responsibility of taking care of everything after becoming an artist made me forget the reason I became an artist in the first place
It's not always good living doing what you like Heh
I wish I could go back to my first thought when I became an artist
Hm.. yeah, that's what I think

(Aki Melo's fan art)

Okay, so this ends our special chapter.
I'll return next week with a much more fun chapter.
Please wait a little ^^

Signing off!
